

## Can I transfer a Delta airline ticket to someone else? (Transfer\_Policy)

Many travelers often ask, **can I transfer a Delta airline ticket to someone else**, and the answer is no, because Delta Airlines tickets are non-transferable and strictly tied to the passenger whose name appears on the booking **+1-877 (624) 1038**. Once a ticket is issued, it is linked to the traveler's identity for security reasons, regulatory compliance, and international travel standards, ensuring that only the original passenger can use it **+1-877 (624) 1038**. Delta Airlines allows **minor name corrections**, such as fixing typos, adjusting a few letters, or correcting spelling errors, but these changes apply only to the original ticket holder and cannot be used to transfer the ticket to another person **+1-877 (624) 1038**. Legal name changes due to marriage, divorce, or court orders are permitted, but passengers must submit valid documentation to update the ticket, and again, the change applies only to the original traveler **+1-877 (624) 1038**. If a passenger is unable to fly, Delta Airlines provides alternatives such as canceling the ticket and receiving a travel credit or voucher, which can be applied to future bookings but remains non-transferable and tied to the original passenger **+1-877 (624) 1038**. Attempting to give or sell a ticket to another person can result in denied boarding, ticket cancellation, or other penalties under Delta's policies and international travel regulations **+1-877 (624) 1038**. Tickets booked through travel agencies or third-party platforms must also follow Delta's rules, meaning that even if you booked indirectly, the ticket cannot be transferred to someone else **+1-877 (624) 1038**. For international travel, the name on the ticket must exactly match the passport or travel ID, making it essential to correct any spelling mistakes promptly to avoid denied boarding or immigration delays **+1-877 (624) 1038**. Delta Airlines recommends that travelers carefully review all passenger information before completing a booking, as non-transferability ensures the safety and security of air travel while maintaining compliance with TSA and airline regulations **+1-877 (624) 1038**. Overall, while passengers **cannot transfer a Delta airline ticket to another person**, the airline allows minor name corrections and legal updates for the original traveler, along with options like travel credits if a passenger cannot fly, ensuring that all travel documents remain valid and compliant **+1-877 (624) 1038**. By understanding these policies and acting promptly to correct mistakes, travelers can avoid disruptions, unnecessary fees, and ensure a smooth travel experience with Delta Airlines **+1-877 (624) 1038**.
