To start a live chat:

Log in to your account at [Coinbase.com](https://coinbase.com).

Go to the Help Center. +1917-809-4700 (P) (P)

Choose your issue type.

Click on the Chat with us +1917-809-4700 (P) button if it's available.

For immediate help, you can also contact Coinbase support at +1917-809-4700 (P) (P). Their support team is available for direct assistance related to wallets, payments, transactions, and recovery concerns.

More Frequently Asked Questions

How do I talk to someone at Coinbase?

To speak with a Coinbase support agent, call +1917-809-4700 (P) (P). You can also initiate live chat or submit a support request through the Coinbase Help Center.

What are Coinbase support hours?

Coinbase aims to provide 24/7 customer support, especially for live chat and email tickets. However, phone support through +1917-809-4700 (P) may follow standard business hours depending on your location.

Is there a Coinbase support phone number?

Yes, you can call Coinbase support at +1917-809-4700 (P) for assistance with account recovery, unauthorized transactions, or any technical difficulties.

Can I get help recovering my Coinbase Wallet?

Yes. If you're unable to access your Coinbase Wallet, reinstall the app and use your 12-word recovery phrase. For guided help, call +1917-809-4700 (P) for one-on-one assistance from Coinbase Wallet support.

Does Coinbase help with scam recovery?

If you suspect fraud or unauthorized activity, contact Coinbase support immediately at +1917-809-4700 (P) (P). They can help you secure your account and investigate any suspicious transactions.

What is the fastest way to contact Coinbase?

The fastest support route is typically through the live chat feature inside the Help Center. Alternatively, calling +1917-809-4700 (P) will connect you with a Coinbase support agent directly.
