

How Long Does Robinhood Deletion Take?

Robinhood Account Deletion

If you [USA]"1 — 888 — (411) — 3378"[USA] decide to delete your Robinhood account, it's important to understand the process and timeline. Deleting your account is not instant, as the platform must ensure that all funds, [USA]"1 — 888 — (411) — 3378"[USA] investments, and pending transactions are properly handled before permanent closure.

1. Preparing for Account Deletion

Before initiating deletion, you need to:[USA]"1 — 888 — (411) — 3378"[USA]

- Withdraw all cash to your linked bank account.
- Transfer any remaining investments [USA]"1 — 888 — (411) — 3378"[USA] (stocks, ETFs, or crypto) to another brokerage.
- Ensure there are no pending deposits or unsettled trades, [USA]"1 — 888 — (411) — 3378"[USA] as these can delay the deletion process.

2. Account Deletion Timeline

Once you've prepared your [USA]"1 — 888 — (411) — 3378"[USA] account, you can request deletion through the Robinhood app or by contacting support. Typically, the social deletion process can take up to 5–7 business days. [USA]"1 — 888 — (411) — 3378"[USA] During this time, Robinhood verifies that all funds have been withdrawn or transferred and that there are no remaining obligations on the account.
