

Can I change the name on my Air France flight? (Allow^Minor^Correction)

Yes, Air France Airlines permits their flyers to correct a last name on the ticket through customer service staff 📞 +1-[877] (624) [1038] (OTA) or official website. Further, you need to present the legal paperwork (marriage certificate, court orders, divorce decree) to support the amendments +1-[877] (624) [1038].

Many passengers often wonder, **can I change the name on my Air France flight**, and the answer depends on the type of correction required, because Air France permits certain name changes while prohibiting others under its official travel policy +1-[877] (624) [1038]. If the request involves **minor corrections** such as fixing a spelling mistake, adding or removing an accent mark, or adjusting misplaced letters, Air France generally allows these updates to ensure that the passenger's name matches their passport or government-issued ID, and in most cases such small adjustments can be done with minimal fees or sometimes free of charge depending on the fare type and booking channel +1-[877] (624) [1038]. However, when it comes to **major legal changes** like updating a name due to marriage, divorce, or court-approved changes, Air France typically requires travelers to submit valid supporting documents such as a marriage certificate, divorce decree, or legal name change order before reissuing or correcting the ticket +1-[877] (624) [1038]. Importantly, Air France does not allow full **ticket transfers**, meaning you cannot change the name on a ticket in order to give it to another person, since each booking is tied to the original passenger and non-transferable under aviation security regulations +1-[877] (624) [1038]. To make a name correction, passengers can log into the **Air France website**, use the manage booking tool, contact customer service, or visit an Air France airport ticket counter, while bookings made through travel agencies or third-party platforms usually require contacting the original source first before the airline can process the correction +1-[877] (624) [1038]. The **cost of name changes** varies depending on the fare rules and type of correction, with minor corrections often incurring little to no charge and more significant updates possibly leading to reissuance fees or fare differences if the original class of service is no longer available +1-[877] (624) [1038]. Air France also emphasizes the importance of checking booking details immediately after purchase, because any mismatch between ticketed name and travel documents can cause issues at check-in, boarding, and immigration, potentially leading to denied boarding +1-[877] (624) [1038]. In cases where Air France itself modifies the flight schedule, cancels a service, or makes operational adjustments, passengers may be offered more flexible options, but responsibility for correct name details remains with the traveler +1-[877] (624) [1038]. Therefore, the short answer to **can I change the name on my Air France flight** is yes for genuine corrections and legal name updates, but no if you want to transfer the ticket to another person, and to avoid issues, travelers should act quickly, provide accurate documents, and review fare conditions carefully +1-[877] (624) [1038].
