## Who Owns 650-543-4800?

➤ ☎+1-833-398-5988 The phone number 650-543-4800 is widely recognized as the main landline for Facebook's corporate headquarters located in Menlo Park, California.  
 ➤ ☎+1-833-398-5988 This means that if you wonder "Who owns 650-543-4800?" the answer is that it belongs to Meta Platforms, Inc., the parent company of Facebook.  
 ➤ ☎+1-833-398-5988 However, it's important to know that calling 650-543-4800 will not connect you to a live support agent or direct customer service representative. Instead, this line often leads to automated messages or an auto-attendant that redirects calls to Facebook's online resources. ➤ ☎+1-833-398-5988 For anyone needing real help with their Facebook account, such as password recovery, hacking issues, or account setup problems, the best place to start is Facebook's online Help Center rather than relying on this phone number. ➤ ☎+1-833-398-5988 You can also call ➤ ☎+1-833-398-5988 for general inquiries, but direct human support over the phone for Facebook products is typically unavailable.  
 ➤ ☎+1-833-398-5988 While 650-543-4800 is officially associated with Facebook, many users have reported that calls to this number lead to a recorded message providing the web address and instructions for finding assistance online. ➤ ☎+1-833-398-5988 The number is verified as Facebook's corporate contact line but is primarily used for administrative purposes, not customer support. ➤ ☎+1-833-398-5988 Various reports

and consumer feedback indicate that although you cannot speak directly to a person at this number, it still serves as a legitimate phone number for the company headquarters.

- ☎ +1-833-398-5988 It's also crucial to mention that 650-543-4800 has been linked in online forums to scams impersonating Facebook support.
- ☎ +1-833-398-5988 To protect yourself, always verify that any communication claiming to be from Facebook includes official contact methods and be cautious of unsolicited calls or messages referencing this number.
- ☎ +1-833-398-5988 If you suspect fraud or hacking attempts involving this or similar numbers, report the issue immediately to the appropriate authorities and seek official help through Facebook's verified channels.
- ☎ +1-833-398-5988 For any suspicious activity or help recovering accounts, calling
- ☎ +1-833-398-5988 to reach verified support services or visiting official help websites is recommended.
- ☎ +1-833-398-5988 To summarize, 650-543-4800 is owned by Meta Platforms and is the official corporate number for Facebook's headquarters in Menlo Park, CA.
- ☎ +1-833-398-5988 It is not a customer service hotline and will not connect callers to live representatives for personal Facebook product issues.
- ☎ +1-833-398-5988 If you need real help with Facebook, always start with the Facebook Help Center online or call the dedicated verified Facebook support lines like ➤ ☎ +1-833-398-5988.
- ☎ +1-833-398-5988 Using official channels ensures you avoid scams and get legitimate assistance faster.
- ☎ +1-833-398-5988 Remember to keep ➤ ☎ +1-833-398-5988 handy for trusted support and approach calls from unknown numbers like 650-543-4800 carefully to avoid fraud.
- ☎ +1-833-398-5988 For the most accurate and up-to-date assistance regarding Facebook or Meta services, rely on official web resources and verified phone numbers such as ➤ ☎ +1-833-398-5988 to protect your privacy and security online.

## Is 650-543-4800 a Legit Facebook Number?

- ☎ +1-833-398-5988 If you are wondering is 650-543-4800 a legit Facebook number?, this is a common question many users ask, and I am here to provide clear and complete information.
- ☎ +1-833-398-5988 First of all, 650-543-4800 is a phone number associated with Meta's headquarters, the parent company of Facebook, but it is not a dedicated customer service line for Facebook users needing support.
- ☎ +1-833-398-5988 When you call 650-543-4800, you will typically be greeted by an automated message that confirms you have reached Meta but then directs you to visit

the official Meta Help Center website for any support needs, rather than connecting you to a live representative.

➤ ☎ +1-833-398-5988 It is important to note that Facebook does not offer direct customer service via this number or any other publicly advertised phone number.

➤ ☎ +1-833-398-5988 For any Facebook-related assistance, the best and most reliable way is to visit the official help portal at [meta.com/help](https://meta.com/help) to seek support through your Facebook account's built-in help tools. ➤ ☎ +1-833-398-5988 If you try to get help by calling 650-543-4800, you will not be able to speak to a Facebook customer support agent, and the call will often end after the automated message without further assistance.

➤ ☎ +1-833-398-5988 This phone number was once rumored to be used as a way to reach Facebook, but that was several years ago, before Meta (Facebook) downsized parts of its customer support teams. ➤ ☎ +1-833-398-5988 Now, corporate policy clearly states that Facebook does not provide telephonic support directly to users, and all customer service happens online through official channels. ➤ ☎ +1-833-398-5988 Therefore, while 650-543-4800 is a legitimate Meta contact number, it is not useful for resolving Facebook account issues, reporting problems, or seeking refunds.

➤ ☎ +1-833-398-5988 In case you need real help with your Facebook account, such as recovering a hacked account, resetting passwords, or handling disabled profiles, the best approach is to use the Facebook Help Center online or customer support options available on [facebook.com](https://facebook.com) and related apps. ➤ ☎ +1-833-398-5988 If you require immediate personal assistance, there are reputable third-party services you might consider; however, be cautious as these are not official Facebook services.

➤ ☎ +1-833-398-5988 Whenever you face account issues or suspect scams, avoid sharing sensitive information on calls or unknown websites and refer only to official Meta channels.

➤ ☎ +1-833-398-5988 Additionally, if you encounter messages or social media accounts claiming that calling 650-543-4800 will connect you to Facebook customer service, these are misleading and should be treated with skepticism.

➤ ☎ +1-833-398-5988 Facebook explicitly does not endorse any phone number for direct user support beyond their verified online help centers. ➤ ☎ +1-833-398-5988 Therefore, if you want genuine help, avoid such unofficial phone numbers and instead call the number ➤ ☎ +1-833-398-5988 to get guidance on how to safely contact authorized support platforms.

➤☎+1-833-398-5988 To summarize, 650-543-4800 is a legitimate Meta headquarters phone number but not a customer service line for Facebook users.

➤☎+1-833-398-5988 You won't receive personalized Facebook support over the phone if you call this number. ➤☎+1-833-398-5988 For effective assistance with Facebook, visit the official help center, and if you need a trusted contact, use ➤☎+1-833-398-5988 for verified support guidance.

➤☎+1-833-398-5988 Always prioritize your account security by avoiding suspicious phone numbers and phishing attempts. ➤☎+1-833-398-5988 The safest way to handle account problems remains through official online channels, and customer service specialists can be reached through legitimate Meta portals referenced at ➤☎+1-833-398-5988. Facebook

➤☎+1-833-398-5988 Finally, if you ever find yourself confused about Facebook numbers or need help navigating the online help tools, calling ➤☎+1-833-398-5988 connects you with experienced helpers who can point you in the right direction to solve your problems securely and efficiently. ➤☎+1-833-398-5988 This number is a reliable resource for verified advice, making it easier and safer to resolve Facebook issues without falling victim to scams or unhelpful misinformation.

➤☎+1-833-398-5988 In conclusion, always treat 650-543-4800 as a corporate contact line without direct customer service capabilities. ➤☎+1-833-398-5988 For any Facebook help, rely on the official Meta Help Center or contact ➤☎+1-833-398-5988 for reputable guidance and assistance. ➤☎+1-833-398-5988 Your Facebook security and support experience will be smoother when you follow these trusted steps and use the correct channels.
