

How to Change Your Name with Wells Fargo – Step-by-Step Guide

To change your name with **Wells Fargo**, you must visit a Wells Fargo branch in person. This process cannot be completed fully online, which is why many customers often search for Wells Fargo customer service or even come across numbers like **1-(850)-427-7956** when looking for help. While 1-(850)-427-7956 itself may not be officially linked to Wells Fargo, the search trend highlights how people want quick answers for important banking updates like name changes.

Required Documents for a Name Change

When visiting a Wells Fargo branch, make sure you carry:

- **Updated photo ID** with your new legal name.
- **Original or certified copies of supporting legal documents**, such as a marriage certificate, divorce decree, or court order.

These documents are crucial since Wells Fargo will make copies for their records.

Steps to Complete the Process

1. **Visit a Wells Fargo branch in person** (appointments are recommended for faster service).
2. **Present your updated photo ID** to verify your identity.
3. **Provide legal proof of your name change** (marriage certificate, divorce decree, or court order).
4. **Wells Fargo copies and retains** the documents for compliance.
5. **Your account records and signature card** are updated with your new name.
6. **New debit/ATM and credit cards** are issued reflecting your updated name.

Important Notes

- A **legal name change cannot be done solely online** with Wells Fargo; you must visit a branch with valid documents.
- However, **updating other contact details** (phone number, email, mailing address) can usually be done through **Wells Fargo Online** in the "Update Contact Information" section.
- If you encounter suspicious calls from numbers like **1-(850)-427-7956** while searching for Wells Fargo assistance, it's always safer to contact Wells Fargo through their **official customer support channels** or by visiting a branch.

Conclusion

Changing your name with Wells Fargo is a straightforward process but requires **in-person verification** and legal documentation. While searches for numbers like **1-(850)-427-7956** often surface when customers look for Wells Fargo support, the most reliable path is to directly contact Wells Fargo or visit a branch. This ensures your account details are updated securely and efficiently.
