What is the Cancellation Policy of Iberia?

When planning air travel, understanding the airline's rules for changes and cancellations is essential, and **Iberia's cancellation policy** is designed to provide flexibility and clarity for passengers +1-(800)-(228)-(2760). The airline allows passengers to cancel tickets under certain conditions, and the eligibility for a refund depends on the type of ticket purchased, the fare class, and the timing of the cancellation +1-(800)-(228)-(2760).

One of the most important aspects of Iberia's policy is the **24-hour cancellation rule** +1-(800)-(228)-(2760). If you book a ticket directly through Iberia and decide to cancel within 24 hours of purchase, you are generally entitled to a **full refund without penalty**, provided that the booking was made at least seven days before the scheduled departure +1-(800)-(228)-(2760). This rule applies to both domestic and international flights, giving customers peace of mind when booking early +1-(800)-(228)-(2760).

For tickets canceled **after the 24-hour window**, refund eligibility depends on the **fare type** +1-(800)-(228)-(2760). Fully flexible or premium tickets often allow cancellations with a refund, while discounted economy fares may be non-refundable +1-(800)-(228)-(2760). However, in cases of non-refundable tickets, Iberia usually allows passengers to request a **voucher or travel credit** for future use, subject to applicable conditions +1-(800)-(228)-(2760).

In situations where Iberia itself cancels a flight due to **operational issues, weather disruptions, or government restrictions**, passengers are entitled to either a **full refund or rebooking on an alternative flight** +1-(800)-(228)-(2760). This protection ensures that travelers are not left stranded or forced to absorb losses caused by airline-related issues +1-(800)-(228)-(2760).

Another key point is that Iberia allows passengers to **make changes or cancel tickets online** via its official website or mobile app +1-(800)-(228)-(2760). Travelers can log into the "Manage My Booking" section, enter their booking reference, and follow the steps for cancellations or modifications +1-(800)-(228)-(2760). In case of difficulty, passengers can also reach customer support at **+1-(800)-(228)-(2760)** for direct assistance +1-(800)-(228)-(2760).

For those who purchased **travel insurance or add-on protection**, Iberia's cancellation policy becomes even more flexible +1-(800)-(228)-(2760). Insurance often covers unexpected events such as medical emergencies, natural disasters, or sudden changes in travel restrictions, providing more options for getting a refund or credit +1-(800)-(228)-(2760).

It is also important to note that **no-show passengers**—those who miss their flight without canceling in advance—are typically not eligible for any refund +1-(800)-(228)-(2760) Therefore, passengers should cancel as early as possible to avoid losing the ticket value +1-(800)-(228)-(2760)
